MEMORANDUM FOR: J. Q. Reber

SUBJECT : Highest Priority Targets

1. For the record, and perhaps to achieve consistency in future documents, I managed to turn the 39 "asterisked" highest priority targets into 35, in accordance with our phone conversation this morning.

2. My 35 nee 39 is as follows:

Far East

Angarsk  
Irkutsk  
Klyuchi  
Komsomolsk (2)

Western USSR

Belaya Tserkov  
Borispol  
Chepelevka  
Glazov  
Gomel/Pribytki  
Kapustin Yar (2)  
Kazan (2)  
Kyshtym  
Lukhovitsky  
Mirogorod  
Molotovsk (2)  
Moscow/Ramenskoye  
Moscow/Shchelkovo  
Mozhaysk  
Murmansk/Severomorsk  
Nozhnaya Tura  
Pochinok  
Poltava  
Priluki  
Saratov/Engels  
Sarova/Shatki  
Seshcha  
Tartu  
Verkne Neyvinskiy  
Voronezh  
Zhitomir (2)

25X1

P.S. I still think it should be 30 rather than 35, but I'm willing to go on the record as four-square for consistency. We can always justify my list on the basis that there are a few places like Kapustin Yar for which we want two photos rather than one.
